

PUSH LIMITS.

REACH TRUE POTENTIAL.

TAKE KNOWLEDGE TO NEW HEIGHTS WITH THE EXECUTIVE ASCENT

The climb to the top in one's leadership journey requires strength, tenacity and grit. But what separates those who reach the pinnacle of career success from the rest is the training, coaching and discernment of a knowledgeable, experienced support team.

The Executive Ascent is a high-impact, three-session curriculum expertly designed for high-potential, ascending executives. Cohort participants will join an influential network of diverse leaders to:

- ▲ Gain valuable insights into the most critical topics impacting business today
- ▲ Establish connections and expand professional networks
- ▲ Leverage lessons taught by CEOs and board members who have successfully climbed these journeys
- ▲ Raise the organization's profile by committing to this pioneering program
- ▲ Accelerate career potential by taking a new intellectual development journey

Interested in joining the cohort?

Nominations are now being accepted for senior-level executives en route to promotion in the C-Suite.

When does The Executive Ascent begin?

Half-day sessions for this semi-annual program are held in this cadence: Spring Cohort convenes in March, April and May, and the Fall Cohort convenes in September, October and November. The program cost is \$950 per executive participant.

Participation of organizations is by invitation only and space is limited.

Submit nominations online at www.theexecutiveascent.com.
